Sleep Technology Program**

Clinical Site Participation Agreement

This agreement confirms the understanding between the **National Institute for Health Technology (NIHT)** and the clinical facility listed below regarding the participation of a student in clinical observation and training activities.

Student Information

Student Name: _____

Program: Sleep Technology Essentials – 80 Hour Program

Clinical Site Information

Clinical Facility Name: _____

Address: _____

City / State: _____

Purpose of Clinical Training

The purpose of clinical training is to provide the student with observational and supervised educational exposure to sleep laboratory operations and patient care activities under the supervision of qualified sleep laboratory personnel.

Responsibilities of the Clinical Facility

The clinical facility agrees to:

- Allow the student to observe and participate in educational activities within the scope permitted by the facility.

- Supervise the student under the direction of qualified sleep laboratory personnel.
- Maintain full authority over patient care and clinical operations.
- Determine and enforce all policies, onboarding requirements, and compliance standards applicable to the student.

The clinical facility may discontinue the student's participation at any time at its discretion.

Responsibilities of the Student

The student agrees to:

- Comply with all policies, procedures, and confidentiality requirements of the clinical facility, including HIPAA regulations.
- Meet all onboarding and compliance requirements established by the clinical site.
- Maintain current CPR certification.
- Maintain **individual professional liability insurance if required by the clinical facility**.

Responsibilities of NIHT

The National Institute for Health Technology agrees to:

- Provide academic instruction associated with the Sleep Technology Program.
- Verify student enrollment in the program if requested by the clinical facility.
- Maintain liability coverage for NIHT institutional operations.

NIHT does not provide professional liability insurance for students participating in clinical training at external clinical facilities.

Nature of Relationship

The student is not an employee or agent of NIHT or the clinical facility.

Clinical participation is strictly educational in nature, and the clinical facility retains full control over patient care and supervision at all times.

Liability

The clinical facility acknowledges that the student is participating for educational purposes.

NIHT shall not be responsible for any acts, omissions, or conduct of the student while participating in clinical training at the clinical facility.

The student is responsible for maintaining any liability coverage required by the clinical site.

Term

This agreement applies only to the clinical training experience of the student listed above and may be terminated at any time by either party.

Acceptance

By signing below, the clinical facility acknowledges its willingness to allow the above-named student to participate in clinical observation and training activities.
